

ONLINE SLE WORK & LEARNING PROGRAM FOR YOUNG ADULTS WITH AUTISM

The ONLINE SLE WORK & LEARNING PROGRAM is a distance learning platform for individuals with autism aged 16 through early adulthood. It provides a dynamic virtual work and education experience that prepares participants for professional and personal success in a competitive 21st century business environment. The program is an extension of our traditional Job Training and Employment program, a proven success with young adults and participating company internship sites for many years.

The program is delivered via live videoconferencing with our team of highly skilled job coaches.

The standard program is three days per week/three to four hours per day and is customized to the interests and goals each participant.

STANDARD PROGRAM:

- **Office work assignments** include graphic design, social media, data entry, various IT platforms, internet research and other business-related jobs.
- **Job readiness training** with a focus on soft skills
- **Career building skills** including job searching,

resume and cover letter writing, interviewing, and social media profile building including LinkedIn.

THE PROGRAM IS OFFERED IN TWO TIERS:

- Internship & Job Readiness (Soft Skills)
- Job Readiness (Soft Skills) Only

Spectrum Works, a trusted leader in autism and employment, has educated, trained and prepared hundreds of young adults with the skills necessary to live up to their potential for stable, successful, economically self-sufficient lives.
